

## FOR ATLASMEX RELOCATIONS EVERYONE'S HEALTH IS OUR PRIORITY

Here at Atlasmex Relocations we are working very hard to implement health procedures to protect the well being of our customers, employees, colleagues, partners and providers. With this objective, we have taken a series of measures and protocols that will help reduce or avoid the spread of the virus in our offices, facilities, trucks and especially at our customer's residencies.

We want to share the actions we are implementing in order to avoid getting infected by the virus.

- ▶▶▶ We are reinforcing the cleaning and disinfecting our offices, bathrooms, desks, common areas, and storage spaces a couple of times a day. At the same time, our operational department is doing its due diligence in making sure that all trucks, warehouse, and vehicles are properly disinfected. All of our personnel has to take their temperature prior to entering the facilities and go through a disinfect-
- ▶▶▶ We are guaranteeing our customers the use of gloves and mouth covers by all of our operational personnel at all times, trying to keep one-meter distance from each other and the constant use of antibacterial gel.
- ▶▶▶ We are alternating our office personnel by having 50% work from home every other day to create a more space full environment without compromising our commitment with our customers and agents.
- ▶▶▶ -We invite you to contact us via our electronic mediums, be it our web site [www.atlasmex.com.mx](http://www.atlasmex.com.mx), emails [moving@atlasmex.com.mx](mailto:moving@atlasmex.com.mx) or social media.
- ▶▶▶ All fiscal appointments with our suppliers are all now done via electronic communications to avoid being in contact with environments that we are not sure to have been properly

Ultimately, preventing the spread of the COVID-19 requires an effort from all of us as a society

This is why we are thankful for your preference and we would like to reiterate our commitment to continue offering the best service and now with the extra health measures.

We would like to thank all of our customers and agents for your understanding of any inconvenience that has been brought on by COVID-19, but is working extra hard to make sure that all shipments stay on course.

We will continue to monitor the situation in all countries on an hourly basis where we have shipments moving to make sure that we don't run into unexpected surprises.
